Metamark MD-PP220 – Premium Matt Poster Paper

Metamark Premium Poster Paper offers a 'near' photo paper finish and is suitable for poster frames, displays, point of sale and fine art applications. It can also be used as a cost effective solution for backlit displays. The superior bright white satin finished paper produces excellent colour vibrancy and consistency and offers good drying time. It is a heavyweight 220gsm paper and has a PE backing allowing superb layflat stability and resisting blocking when stacking or rewinding.

- 220gsm Premium Grade Poster Paper
- Semi Matt Finish
- Layflat PE Back Coating

Metamark MD-FG – Floor Graphic Vinyl System

Metamark MD-FG vinyl floor graphics system offers excellent opportunities for promotional graphics, and has been developed to meet the stringent demands of a floor vinyl. This laminate is scuff resistant to withstand regular traffic, and has an anti slip coating to meet the health and safety needs of a floor product used in public spaces. The product is warranted for use in public areas, and must be used only as a matched system. Use of any other laminate voids any public liability.

- **Print Media - 90 Micron Vinyl**
 - **For Indoor Use Only**
 - **Must be Used as a Matched System with MetaGuard 502**
- MD-FG100** White Gloss
- Matched Overlamine - MetaGuard 502**
